Where there is any inconsistency between the terms, the Dacia ZEN Vehicle Warranty will prevail.

WHAT IS DACIA ZEN?

Dacia ZEN Vehicle Warranty is an additional warranty that is activated following the servicing of your Dacia Vehicle within the Dacia network.

Once activated, it is valid for 1 year or 18,000 miles (whichever comes first) depending on the maintenance conditions listed in your Dacia Vehicle's maintenance book.

The Dacia ZEN warranty may be invoked if an intervention is necessary to repair an electronic or mechanical failure on your Dacia Vehicle, due to a manufacturing or assembly defect, under the conditions specified hereinafter.

COVERAGE START DATE AND DURATION

The cover of the Dacia ZEN Vehicle Warranty comes into effect from the date your vehicle is serviced by a dealer within the Dacia network and ends on the sooner of the anniversary of that service or 18,000 miles.

A waiting period of one month from the date of service shall apply prior to the customer being able to make a claim under the Dacia ZEN Vehicle Warranty.

For Dacia vehicles that still benefit from the manufacturer's warranty or the Dacia Extended Vehicle Warranty, the Dacia ZEN support will take effect at the end of that warranty until the date of the next manufacturer's maintenance indicated in the maintenance book of the vehicle.
